General Recycling

General Recycling is going very well. One thing to remember is if you use plastic bags to place your recycling materials in, please do not use the black or dark green bags. The recyclers need to be able to see the materials in the bags. Black or dark green bags indicate that they are garbage bags which contain household garbage. If a black or dark green bag is found in the recycling bins, the bag has to be opened manually to make sure that regular household garbage is not being put with the recycling materials. **PLEASE DO NOT USE BLACK OR DARK GREEN PLASTIC BAGS FOR RECYCLING.** Also, remember that styrofoam is not recyclable and needs to be placed into the regular garbage bins.

Household Waste

We have been asked what is household waste. "Household Waste" comprises of garbage and rubbish such as bottles, cans, clothing, compost, disposables, food packaging, food scraps, newspapers, magazines and yard trimmings. Just because items originate from within a house does not mean it is household waste. The garbage bins located at all three transfer stations are for household waste only. They are not to be used for furniture, mattresses, metals or building materials. Please do not place non household waste into the bins.

Household Hazardous Waste Round-Up

This year the Household Hazardous Waste Round-Up will take place on Saturday, May 25th, 2013. Further information as to times and drop off locations will be posted as we get closer to the date. Please save any household hazardous materials waste for the round-up.

Rob's March Gas Tip

Older Furnaces don't always have 100% shut off on the gas valve. If you don't have the 100% shut off on the gas valve look at having your furnace serviced. This will prevent gas flowing unrestricted into your home if for some reason, the gas flow is interrupted. (for example : pilot light goes out)

FREE!!!

The Town has uncut firewood available for the taking! It is located east of the Town Shop. Residents can feel free to help themselves!

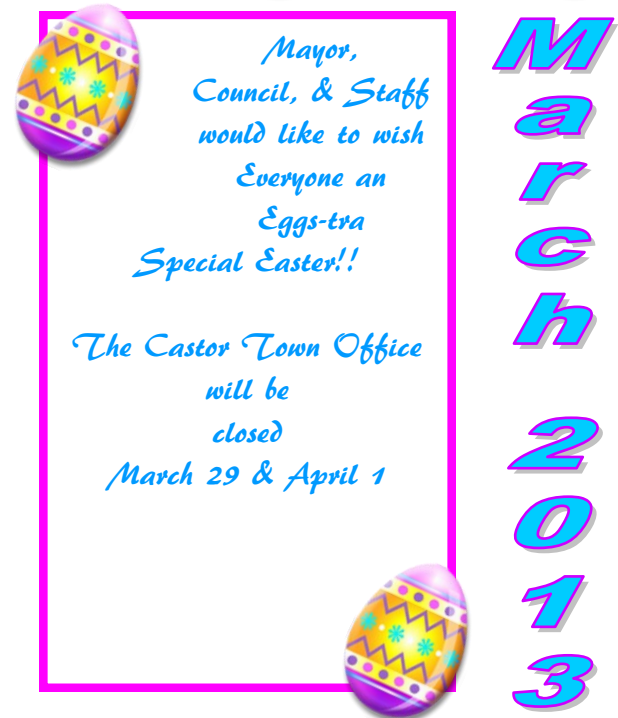

CONGRATULATIONS

Congratulations to Mayor Garry DeVloo, who was presented with the Queen Elizabeth II Diamond Jubilee Medal. Mayor DeVloo was recognized, along with other Mayors from across the province at the Mayor's Caucus meeting in Edmonton on February 13 & 14.
